

FAQ

How do I open an account?

Please select the following link and register for a standard account, then return to this document to complete the remaining steps:

<https://tiomarkets.com/>

FAQ

Why is the broker asking for proof of identification and residence?

Please be advised that as the broker is regulated, they are bound by law to conduct KYC (know your customer) and AML (anti-money laundering) background checks on all clients. This is to verify the information provided

FAQ

What account type should I open?

Please ensure that you open the following account only:

- Account Type: PAMM
- Platform: MT4
- Currency: GBP
- Leverage: 1:200

FAQ

How do I deposit funds?

Deposits can be made via bank wire, credit or debit card.

FAQ

Now that I've deposited, what's next?

Once you have made your deposit via your chosen payment method, you will need to conduct an internal transfer from your wallet to your PAMM account.

FAQ

Where do I make my investment?

Once this has been completed, please select the following link to complete your fund option:

<https://pamm.tiomarkets.com/app/join/151>

You would have received login details for your PAMM account once it was opened. Once you have chosen your fund option, key in your MT4 account number for the PAMM account, password, investment amount and select, "I agree to the terms of PAMM service and then invest". Now sit back and enjoy your profits!
